GENERAL CONDITIONS

1. Concept & Selection

Superstudio Design is a project conceived and curated by Superstudio, offering each year an exclusive selection of exhibitors, installations and high-quality setups, chosen for their ability to represent contemporary design and future trends.

The Artistic Board will evaluate each application with particular attention to:

- Innovation and new production processes in industrial and product design
- Architecture, circularity and sustainability (Green Design)
- Design storytelling and project culture

Submitting this Application Form constitutes an official request to participate with an exhibition space, but is not binding on the applicant.

Project selection is made at the sole discretion of the Organizing Management based on consistency with the event's format and guidelines. If successful, the Company/Designer will receive an official space proposal and corresponding quote. The final installation project must be approved by Superstudio's Artistic Board.

2. Privacy & Data Processing

Personal data provided will be processed by Superstudio Events Italy Srl (Data Controller) in compliance with EU Regulation 2016/679 (GDPR). Processing is carried out exclusively for pre-contractual and contractual obligations and legal requirements. The data subject may exercise their rights (including deletion) by writing to design@superstudioevents.com.

The full and detailed privacy policy is available at design.superstudioevents.com.
